

Become a Fungi Distributor!

See you at the Farmers markets...

We're looking for good people to represent our brand at Farmers markets all throughout the country. Available to marketeers are White Button, Swiss Brown, Oyster mushroom and Shiitake mushroom growing bags. All you need is access to a cold room and a couple of tables – we do the rest.

Opportunities also exist in Sydney, Melbourne and Adelaide for marketeers to distribute product into retail stores acting as a sales agent and managing online orders for your area. Great commissions are available.

You will also get access to our events section on our home page to list your upcoming market or garden show.

What We Provide

- **Mushroom kits (White Button, Swiss Brown, Oyster bags, Shiitake bags)**
- **Branded 3x3m gazebo**
- **POS Posters**
- **Flyers**
- **Advice and technical support**
- **Your markets / shows listed at www.fungi.net.au**

How do I get started?

Download our company profile from the distribution page of our website.
